2.0 SCOPE

This procedure applies to all faculty teaching under online method or self-learning module.

3.0 REFERENCES

Approved PRMSU Strategic Framework for Flexible Teaching and Learning
Approved Course Syllabi

4.0 DEFINITION OF TERMS

Delivery of Instruction – refers to the interaction among the student, the teacher, the content, and the knowledge/skills/dispositions students will need for learning and collaborating with others in a diverse society and rapidly changing world.

Edmodo App – it allows the academic community to learn together from anywhere with all-in-one LMS.

Examination - is a test to show the knowledge and ability of a student.

Faculty - the teaching staff of a university or college, or of one of its departments or divisions, viewed as a body.

Google Classroom App – a free and easy tool helping educators efficiently manage and assess progress, while enhancing connections with learners from school, from home, or on the go.

Lecture Method - is the most commonly used method of teaching. It is a teacher- controlled & information centered approach in which the teacher works as a sole-resource in classroom instruction.

Lesson - an amount of teaching given at one time; a period of learning or teaching.

Quizzes - a test of knowledge, especially a brief, informal test given to students.

Self Learning Module - are designed where the learner is free to chose what to learn, how to learn, when to learn and where to learn.

Zoom App - is the leader in modern enterprise video communications, with an easy, reliable cloud platform for video and audio conferencing, chat, and webinars.
